Public Comments:

D'Shawn Johnson, Executive Director and Ron Snider, Development Director of First Tee Louisville, we have been looking at the Farnsley Golf Course and see it as a viable option for youth in the area. Greens would need to be established, working irrigation system, equipment, fertilizer, grass seed and seek out sponsorships to cover some of the investment. We would give a proposal to the city in 6 months. First Tee's mission is to enrich the lives of young people in the Louisville area by providing unique programs and affordable facilities which promote character development and positive life skills through the game of golf.

Elmer Guions, 4013 Clyde Drive, I want to request speed bumps for Clyde Drive. Another suggestion is to make the street only one way for traffic.

Steven Kniffle Jr., 3433 Fernheather Drive, I want to introduce myself; I am new to Shively from Ohio. I believe in being active in the community I live in and if you need me I can be of assistance. I am a doctor in Mental Health.

Kalifa Alexander, District 3 Legislative Aide, I will be attending the council meetings. If you need anything from Keisha Dorsey you can call or email me.
